

Save Our Lemurs

Help us save our wildlife heritage

Donations will train, equip and pay Madagascar Wildlife Rangers to protect our beautiful Lemurs. Please donate generously at:
<https://www.justgiving.com/campaigns/charity/jaf/SavingLemurs>

Children aged 3-4 years of age provided their images to create this collage to draw attention to the need to protect the Lemurs that are currently listed as among the most endangered species on the planet. A SchemaPlay campaign developed with preschool children, parents and educators, and in association with the Kent County Council Early Years and Child Care Service, and the Aspinall Foundation.
